

This is me

Hello Spotify, I'm Serg Well, officially Sergio

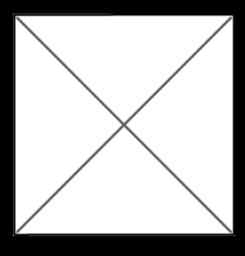

Tip: Turn up the volume or improve your extrasensory powers;)

I want to build the impossible together with badass people that already do it

So I want to help you build Spotify coding all day long

For now, let's start the first adventure music!!

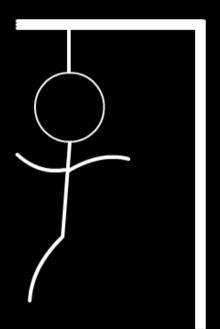

Music was always my 2nd passion

I love software since I discovered it at 14 years old, that's why I care everything I do

So please don't kill my stickman!!

I G

S

The answer is visible somewhere, will you be able to find it?

What is the name of the song?

3:10 -

3:53

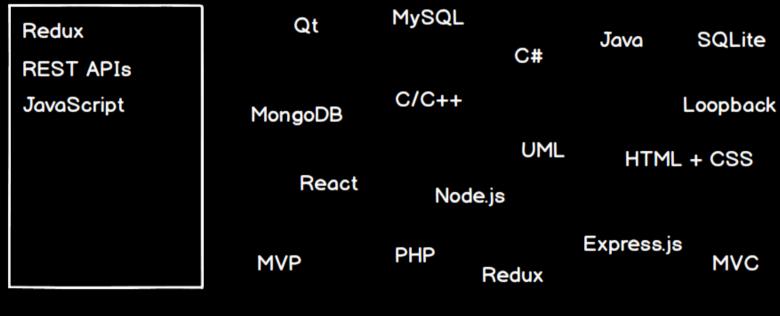

What I learned after 10 years hacking code, 3 of them for a startup and a Software engineering degree?

Top 20

Capture the skills while music plays
